

A black and white photograph of a very muscular man, shirtless, with his hands placed on his chest. He is wearing dark, low-rise jeans. The lighting highlights his extreme muscle definition, particularly in the pectorals, abdominals, and arms. The background is dark and out of focus.

No Fraternizing Book One English Edition:

You Are Not Going to Heaven (and why it doesn't matter) Wes Bergen, 2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don't Wes Bergen's aim is to cast a vision of the church beyond divine fire insurance Bergen's contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn't enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don't Now get to work helping salvation happen

ABC Club: End of an Era Sunny W, 2012-04-25 The disease of alcohol and drug addiction affects millions of people some of whom are willing to acknowledge their addiction and therefore seek recovery The nature of the disease is so crippling that the individual has to either find recovery or else be left with two dreadful options physical and mental instability or death ABC Club End of an Era describes the history of a safe place where recovering addicts and alcoholics lived while pursuing sobriety and it focuses on the many interactions and idiosyncrasies of each personality with interviews and other first hand accounts Two people operated the treatment center for over thirty five years Danny and Helen Leahy a

crusty down to earth no nonsense man and a beautiful soft warm and gentle woman The result was that these two very different people with their different personalities were able to have countless numbers of people utilize recovery and thus learn about a new way of life at the ABC Club **The Re-birth of a Born-Again Christian** James A. Sanders, 2017-03-28

Lightly tracing his personal experiences growing up in the Bible Belt as a born again Christian James A Sanders recounts his second rebirth experience and subsequent efforts to battle what can most broadly be called evangelicalism's denial of dignity and human worth to those different from the so called norm While Sanders cherishes his early experience of being saved or born again he has become deeply concerned at what has happened to the evangelical movement in America especially in its being politicized and removed from any kind of valid interpretation of the Bible itself Sanders critiques evangelicalism for restricting the Holy Spirit's work to the realm of personal experience and so for denying the Spirit's work in society to move believers beyond the ancient mores and metaphors that biblical authors and editors used to record God's work in antiquity Sanders proposes that Christians read the Bible honestly in its ancient and moral contexts and attempt with humility to register its prophetic condemnation of tribal views of God in order to heed the Spirit's urgings to engage in the advancing monotheizing process that the Bible demands of its adherents Digest , 1901 **Hart Land Lakeside Inn Box Set I**
