Doris Lessing

BACKGROUND

Doris Lessing was born in 1919 and grew up on a three-thousand-acre farm in Southern Rhodesia, a country now called Zimbabwe. Her family employed about fifty black African workers who earned the equivalent of \$1.50 per month and lived in mud huts with no sanitation. The white minority wanted to establish a government that continued to limit black citizens' political participation. Black citizens wanted a government in which the black majority would rule. Civil war broke out in the country after it declared independence from Britain in 1965, and more than 25,000 people were killed before the country gained self-rule in 1980.
