The Chicago Guide to Writing about Multivariate Analysis, Second Edition Jane E. Miller, 2013-09-26 Many different people from social scientists to government agencies to business professionals depend on the results of multivariate models to inform their decisions Researchers use these advanced statistical techniques to analyze relationships among multiple variables such as how exercise and weight relate to the risk of heart disease or how unemployment and interest rates affect economic growth Yet despite the widespread need to plainly

and effectively explain the results of multivariate analyses to varied audiences few are properly taught this critical skill The Chicago Guide to Writing about Multivariate Analysis is the book researchers turn to when looking for guidance on how to clearly present statistical results and break through the jargon that often clouds writing about applications of statistical analysis This new edition features even more topics and real world examples making it the must have resource for anyone who needs to communicate complex research results For this second edition Jane E Miller includes four new chapters that cover writing about interactions writing about event history analysis writing about multilevel models and the Goldilocks principle for choosing the right size contrast for interpreting results for different variables In addition she has updated or added numerous examples while retaining her clear voice and focus on writers thinking critically about their intended audience and objective Online podcasts templates and an updated study guide will help readers apply skills from the book to their own projects and courses This continues to be the only book that brings together all of the steps involved in communicating findings based on multivariate analysis finding data creating variables estimating statistical models calculating overall effects organizing ideas designing tables and charts and writing prose in a single volume When aligned with Miller s twelve fundamental principles for quantitative writing this approach will empower readers whether students or experienced researchers to communicate their findings clearly and effectively

Collaborative Learning and Writing

Kathleen M. Hunzer,2014-01-10 Although most writing instructors know the benefits of collaborative learning and writing in college writing classes many remain unsure how to implement collaborative techniques successfully in the classroom This collection provides a diversity of voices that address the how tos of collaborative learning and writing by addressing key concerns about the process Fresh essays consider the importance of collaborative work and peer review the best ways to select groups in classes integration of collaborative learning techniques into electronic environments whether group learning and writing are appropriate for all writing classes and ways special populations can benefit from collaborative activities Despite its challenges collaborative learning can prove remarkably effective and this study provides the advice to make it work smoothly and successfully

Critical Expressivism

Tara Roeder,Roseanne Gatto,2015-04-15 Critical Expressivism is an ambitious attempt to re appropriate intellectual territory that has more often been charted by its detractors than by its proponents Indeed as Peter Elbow observes in his contribution to this volume As far as I can tell the term expressivist was coined and used only by people who wanted a word for people they disapproved of and wanted to discredit The editors and contributors to this collection invite readers to join them in a new conversation one informed by a belief that the term expressivism continues to have a vitally important function in our field

Kraemer, 2013-09-06 Reconnecting Reading and Writing explores the ways in which reading can and should have a strong role in the teaching of writing in college Reconnecting Reading and Writing draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction

Critical Sexuality Studies, Lavender Languages, and Everyday Life Michelle Marzullo, William L. Leap, 2024-09-05 Critical Sexuality Studies CSS and Lavender Languages Linguistics LLL are leading modes of inquiry in two different fields of sexuality studies In this edited collection chapters reveal how these can be combined to produce a new approach to analyzing language use sexuality and gender and discourse on authority and power The book demonstrates how together LLL and CSS iterate each other through their mutual concern with sexuality gender and power especially when considering the materiality of daily life Authors then compare CSS to other fields of sexuality studies to reveal commonalities and tensions that are addressed via the LLL based interventions exemplified in this volume The body of the book organizes examples of Lavender Languages projects around a four part CSS framework with an introductory essay for each section indicating the connections between the CSS theme and the LLL examples The volume concludes with reflections showing how CSS interests in sexuality and power benefits from LLL with its emphasis on socially focused studies of discourse and text Strengthening pathways to future knowledge making this book provides a detailed roadmap for scholarly and activist engagements in language centered critical sexuality studies

Fostering Habits of Mind in Today's Students Jennifer Fletcher, Adela Najarro, Hetty Yelland, 2023-07-03 Co published with and Students need more than just academic skills for success in college and career and the lack of an explicit instructional focus on the soft skills critical to postsecondary success poses a challenge for many students who enter college especially the underprepared Based upon a multi campus cross disciplinary collaboration this book presents the resulting set of habits of mind based strategies that demonstrably help not only low income ESL and first generation college students overcome obstacles on the path to degree completion these strategies equally benefit all students They promote life long integrative learning and foster intellectual qualities such as curiosity openness flexibility engagement and persistence that are the key to developing

internalized and transferrable competencies that are seldom given direct attention in college classrooms This contributed volume written with full time and adjunct faculty in mind provides the rationale for this pedagogical approach and presents the sequential instructional cycle that begins by identifying students assets and progressively focusing on specific habits to develop their capacity to transfer their learning to new tasks and situations Faculty from both two year and four year colleges provide examples of how they implement these practices in English math and General Education courses and demonstrate the applicability of these practices across course types and disciplines Chapters address key factors of college success including The link between habits of mind and student retention and achievement Using an assets based approach to teaching and learning Supporting and engaging students Creating inclusive learning communities Building confidence and self efficacy Promoting transfer of learning Teacher networks and cross disciplinary collaboration By foregrounding habits of mind as an instructional lens this book makes a unique contribution to teaching in developmental and general education settings

A Responsive Rhetorical Art Elenore Long, 2018-10-24 A Responsive Rhetorical Art explores the risk ridden realm of wise if always also fallible rhetorical action the productive knowledge building required to compose and to leverage texts broadly construed for the purposes of public life marked by shrinking public resources cultural conflict and deferred hope Here composition and literacy learning hold an important and distinctive cultural promise the capacity to invent with other people new ways forward in light of their own interests and values and in the face of obstacles that could not have otherwise been predicted Distributed across publicly situated strangers including citizen educators this work engages a persistent challenge of early rhetorical uptake in public life that what might become public and shared is often tacit and contested The book s approach combines attention to local cases with a transnational student organization the Nipmuck Chaubunagungamaug and the South Sudanese diaspora in Phoenix with a revisable guide for taking up wise action and methods for uncovering elusive institutional logics

Teaching Information Literacy and Writing Studies Grace Veach, 2018-09-15 This volume edited by Grace Veach explores leading approaches to foregrounding information literacy in first year college writing courses Chapters describe cross disciplinary efforts underway across higher education as well as innovative approaches of both writing professors and librarians in the classroom This seminal work unpacks the disciplinary implications for information literacy and writing studies as they encounter one another in theory and practice during a time when fact or truth is less important than fitting a predetermined message Topics include reading and writing through the lens of information literacy curriculum design specific writing tasks transfer and assessment
