Reading Guide Discussion Questions

Craig Paxson

Reading Guide Discussion Questions:

The Goal Discussion Guide Craig Paxson, 2019-10-05 Early in 2015 I volunteered to lead a reading discussion group at work. The book I chose to read was *The Goal* by Eliyahu Goldratt. I scoured the internet for a reading and discussion guide appropriate for a weekly group session and could not discover any. I found plenty of synopses and some college syllabi but not any discussion guides. So I decided to create one. This book is the discussion guide I created. Because *The Goal* uses the Socratic Method, ask-tell-ask, I decided to create the readings in that same method. Each week's reading begins with Alex asking a question of Jonah, then Jonah's response, Alex learning from that answer, and then the next question posed by Alex. The discussion guide is broken into 7 weeks of reading. Each week has questions to be answered by the participants. Some weeks have exercises; for instance, the dice game played on the hike to further illustrate the concepts discussed in the book. It will be helpful if the leader can customize the discussion questions and exercises to the organization.

Critical Reading Activities for the Works of Gary Paulsen Bernice Golden, 1999 A collection of activities including reproducible pages, teacher notes, synopses, discussion questions, and comprehension assessments designed to help students understand five works by author Gary Paulsen.

And God Said What? Margaret Nutting Ralph, 2014-05-14 This revised edition of the best-selling *And God Said What* introduces readers to the importance of understanding the various literary forms that appear in Scripture: myth, legend, debate, fiction, Gospel, parable, allegory, letter, and apocalypse. Each genre is clearly defined, and the importance of understanding genre in order to find meaning is explored in relation to many well-known biblical passages: Samson, Lot's wife, Jonah, puzzling parables, 666, and many more. Written by an experienced teacher who has listened carefully to her students' questions, this book is an invaluable help to those who want to understand the revelation contained in the old and new covenants.

Study Guide for Making Room Christine D. Pohl, Pamela J. Buck, 2001 Christine D. Pohl's book *Making Room: Recovering Hospitality as a Christian Tradition* has helped foster renewal of the central but long-neglected practice of Christian hospitality. This new study guide for *Making Room* provides a variety of ways in which people can learn more about the practice. Designed for use by small groups, though individuals will also profit from it, the study guide is divided into nine lessons corresponding to the chapters of *Making Room*. Each lesson begins with an introduction briefly highlighting the main points of the book, followed by sections on group building, Scripture discussion, reflection, and personal application. Each lesson also provides aids for group leaders and suggested activities to help participants begin to make the practice of hospitality part of their daily life.
