Harada, 2012-06-11 Presenting examples of school librarians leading professional learning in numerous contexts and for diverse learning goals with remarkable success this book will inspire other practitioners to initiate and refine professional learning in their schools and districts School administrators are recognizing that school librarians are ideal to lead professional development because they service the entire school network from the students and faculty to families and the community As a national downturn in educational funding is diminishing districts ability to optimally staff libraries investing energy in professional development is a sound strategy to bring information literacy skills to every student especially in buildings with part time librarians or districts with only a single librarian of record *Growing Schools Librarians as Professional Developers* stands apart from other works as the first book that directly addresses the potential role of the school librarian as a staff developer Within the chapters the authors relate their professional development journeys collectively representing experience within K 12 public and private institutions district and regional units and universities across the United States and Canada The work provides various approaches to professional development with a range of processes and techniques that have been proven effective in different contexts and in achieving diverse learning goals Practitioners at the building and district levels as well as school principals state and district personnel and library educators will find this book insightful and instructive **Journal of Biblical and Theological Studies, Issue 2.2** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2017-11-03 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics **The Current Digest of the Soviet Press**, 1980 THE AUTOBIOGRAPHY OF ALICE B. TOKLAS (Modern Classics Series) Gertrude Stein, 2024-01-13 In *The Autobiography of Alice B Toklas* Gertrude Stein artfully crafts a narrative that is as much about identity and the role of the artist as it is a vivid portrait of the avant garde lifestyle in early 20th century Paris Written in the distinctive idiosyncratic prose style characteristic of Stein this work employs a unique first person perspective through the eyes of her lifelong partner Alice Toklas The text serves not only as a memoir but also as a groundbreaking exploration of gender and creativity encapsulating

the dynamic relationships among notable contemporaries such as Hemingway Picasso and Matisse within the vibrant cultural milieu of the time Stein an American expatriate and a leading figure in modernist literature was deeply influenced by her own experiences within the art community of Paris Her relationship with Toklas who played an instrumental role in her literary career propelled Stein to create a work that merges autobiographical elements with a vivid recounting of their shared lives Stein s bold experimentation with language and form reflects her belief in the transformative power of art a vision that stemmed from her challenging societal conventions and traditional literary norms This seminal text is a must read for enthusiasts of modernist literature as it not only provides insights into the life and mind of Gertrude Stein but also challenges readers to reconsider the boundaries of autobiography and biography The Autobiography of Alice B Toklas endures as a powerful testament to the interconnections of love art and identity inviting readers to engage with the nuances of both the narrative and its rich historical context In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *Resources in Education* ,1980 **Reading**

From Dissertation to Book William Germano, 2022-12-22 How to transform a thesis into a publishable work that can engage audiences beyond the academic committee When a dissertation crosses my desk I usually want to grab it by its metaphorical lapels and give it a good shake You know something I would say if it could hear me Now tell it to us in language we can understand Since its publication in 2005 From Dissertation to Book has helped thousands of young academic authors get their books beyond the thesis committee and into the hands of interested publishers and general readers Now revised and updated to reflect the evolution of scholarly publishing this edition includes a new chapter arguing that the future of academic writing is in the hands of young scholars who must create work that meets the broader expectations of readers rather than the narrow requirements of academic committees At the heart of From Dissertation to Book is the idea that revising the dissertation is fundamentally a process of shifting its focus from the concerns of a narrow audience a committee or advisors to those of a broader scholarly audience that wants writing to be both informative and engaging William Germano offers clear guidance on how to do this with advice on such topics as rethinking the table of contents taming runaway footnotes shaping chapter length and confronting the limitations of jargon alongside helpful timetables for light or heavy revision Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy whether reading on a page or a screen He also acknowledges that not all dissertations can or even should become books and explores other often overlooked options such as turning them into journal articles or chapters in an edited work With clear directions engaging examples and an eye for the idiosyncrasies of academic writing he reveals to recent PhDs the secrets of careful and thoughtful revision a

skill that will be truly invaluable as they add author to their curriculum vitae Sor Juana Inés de la Cruz, Critique of a Sermon and Other Letters ,2025-02-04 Sor Juana's Respuesta a sor Filotea 1691 is one of her most widely read works and an established text in the history of women's writing Less frequently studied is the epistolary exchange to which it responds particularly Juana's Crisis sobre un sermón or Carta atenagórica 1690 her response to a sermon by the Portuguese Jesuit Antonio Vieira on Christ's greatest fineza or demonstration of love In the Crisis Sor Juana puts into practice what she would later argue in the Respuesta that women could and should engage in theological study and that a woman's well reasoned argument would defeat any man's ill founded and unorthodox thought This is the first annotated critical edition and English translation of the complete published exchange between Sor Juana and Manuel Fernández de Santa Cruz with a comprehensive introduction commented textual variants and extensive textual notes The introduction explores how the Crisis can be read in relation to Juana's other works including her love poetry her eucharistic drama El místico del Sacramento and Primero sueño By analysing its central themes this study argues that the Crisis is key to Juana's defence of women's learning while also shedding light on her views on gender theological enquiry and the dynamics of love both religious and secular

The Citizen's Guide to Climate Success Mark Jaccard,2020-02-06 Sometimes solving climate change seems impossibly complex and it is hard to know what changes we all can and should make to help This book offers hope Drawing on the latest research Mark Jaccard shows us how to recognize the absolutely essential actions decarbonizing electricity and transport and policies regulations that phase out coal plants and gasoline vehicles carbon tariffs Rather than feeling paralyzed and pursuing ineffective efforts we can all make a few key changes in our lifestyles to reduce emissions to contribute to the urgently needed affordable energy transition in developed and developing countries More importantly Jaccard shows how to distinguish climate sincere from insincere politicians and increase the chance of electing and sustaining these leaders in power In combining the personal and the political The Citizen's Guide to Climate Success offers a clear and simple strategic path to solving the greatest problem of our times This title is also available as Open Access on Cambridge Core

A Violent History of Benevolence Chris Chapman,A.J. Withers,2019-03-14 A Violent History of Benevolence traces how normative histories of liberalism progress and social work enact and obscure systemic violences Chris Chapman and A J Withers explore how normative social work history is structured in such a way that contemporary social workers can know many details about social work's violences without ever imagining that they may also be complicit in these violences Framings of social work history actively create present day political and ethical irresponsibility even among those who imagine themselves to be anti oppressive liberal or radical The authors document many histories usually left out of social work discourse including communities of Black social workers who among other things never removed children from their homes involuntarily the role of early social workers in advancing eugenics and mass confinement and the resonant emergence of colonial education psychiatry and the penitentiary in the same decade Ultimately A Violent History of

Benevolence aims to invite contemporary social workers and others to reflect on the complex nature of contemporary social work and specifically on the present day structural violences that social work enacts in the name of benevolence
