

Surgery Letter of Recommendation Sample

To the Anorak Hospital Surgery Residency Admissions Committee:

I hope that this letter finds you well. It is my great pleasure to write this letter to support Mr. Don Brown in his application for Surgery Residency at Anorak Hospital. I have known Mr. Brown for over four years, first as an undergraduate where he traveled to the medical campus to perform experiments. Afterwards, he applied to the medical school and was accepted as a student. I have led several of his small group discussion sections, and have served as his mentor in many of his decisions in medical school. I can truly say he is among the most dedicated and talented medical students I have mentored.

As a student, Don always proved himself to be extremely prepared for class, having read all of the assigned material as well as supplementary research of his own volition. He always came prepared with excellent questions that provoked much thoughtful discussion in class. On the wards he performed very admirably; he proved himself to be a very logical thinker that was able to handle stressful situations with great ease. He also possesses remarkable dexterity and steady hands with delicate tasks. He performed wonderfully with patients and patient actors, and received top marks for his ability to take patient histories quickly while engaging the patient and making them feel comfortable.

Don is a very likeable person and well respected by his peers. His bedside manner is professional and calming. He has always shown his interest in surgery and associated sciences, and has significant research experience which he hopes to continue in his research year of residency. I believe him to be a very capable student and physician, and fully believe that he will be an asset to your medical team. I highly recommend him to you without any reservation.

Sincerely,
George Bates, MD
