Sample Training Plan Template For Sales:

How To Find, Recruit & Manage Independent Sales Agents-Part of the Action Plan For Sales Success Series Robert J. Weese, 2015-02-02 Are you struggling to grow your sales Trying to decide whether the time is right to hire a direct sales force Would you like to approach new markets and territories using a proven business model that will reduce your go to market costs If you are looking to expand your sales into new markets or territories it usually means you have to find a dedicated sales person to work direct for your company This is an expensive and time intensive method of expanding your business Attempting to recruit and train sales people who are going to be in a territory that is not local can be very difficult to accomplish Costs of recruiting are high remote management and training becomes a problem and monitoring the new sales rep s performance can become a full time job The answer is to find experienced local sales agents who reside in the territory you want to penetrate In some industries sales agents represent the bulk of a companies selling strategy In North America alone there are tens of thousands of sales agents and many are looking for new products to represent If you are looking for a comprehensive guidebook that can help you find train and manage independent sales agents ISA s also called manufacturers representatives then this book is for you How to Find Recruit Manage Independent Sales Agents is a proven turnkey system that will become the foundation of your sales agent program What You Will Learn The power of independent sales agents Three models for sales agent programs How to find sales agents in your industry How to approach and engage sales agents in their language How to design a sales agent compensation program Each chapter contains coaching exercise to help you create your program so it will attract the attention of sales agents The book is loaded with scripts templates and tips that can help you build your own alternate sales channel using sales agents It All Starts Here if you are trying to decide whether to hire more full time direct sales people for your organization or look for new alternatives that will reduce your cost of sale then this book is right for you This fast moving practical book based on years of experience shows you how to leverage and multiply the sales potential of your products and services selling five and ten times as much as you ever thought possible Brian Tracy Author Ultimate Sales Success Bob has written a comprehensive guide which offers the reader a complete review of how to select manage and motivate independent reps He provides proven exercises forms and templates to equip interested sales managers with the necessary tools to run their own successful sales agent program This book is essential reading for anyone interested in the independent sales rep business model Allan R Lambert CSP Billiken Group LLC Manufacturers need to learn more about how the rep business functions before they approach someone They need to talk to other companies that use rep s or attend one of the MRERF programs Unfortunately only a very small percentage of companies know about reps Karen Jefferson CPMR CSP Executive Director MRERF As more companies are looking for cost savings you are going to see a move towards more sales outsourcing The agent business is poised for growth Agents are going to play a very important role as more international companies are trying to break into the North American market

Pierre Carriere President BEXSA Solutions Inc More and more large companies are finding their direct sales force is a huge expense Cost of sales is rising and the ramp up time for a new sales person can take months or more With agents getting paid on results it really makes sense for companies to consider this sales channel Craig Lindsay CPMR CSP President Pacesetter Sales Associates *Teach What You Know* Steve Trautman,2006-07-10 Breakthrough Knowledge Transfer Techniques for Every Professional No matter where you work there are people with experience teaching people who need to learn Everyone is part of this exchange yet few people know how to do it well Now there s a comprehensive how to manual for effective knowledge transfer Teach What You Know Steve Trautman introduces simple practical mentoring techniques he created for engineers at Microsoft and has proven in many diverse organizations ranging from Nike to Boeing This is real world get it done advice organized into a framework you can use no matter what you need to teach Trautman provides common sense tools to successfully pass along years or even decades of experiences easy to use checklists sample training plans lists of questions step by step procedures and a start to finish case study Teach What You Know will help you orient new employees support transitions to new assignments and promotions prepare for employee retirements build teams roll out new technologies and even move forward after reorganizations and mergers The Strategic Alliance Handbook Mike Nevin,2016-03-03 Strategic alliances offer organisations an alternative to organic growth or acquisition when faced with the need to develop the business to a new level innovate in terms of products or services or significantly reduce costs The Strategic Alliance Handbook is a clear and complete guide to the nuts and bolts of the process behind successful collaborations The book enables readers to understand the commercial technical strategic cultural and operational logic behind any alliance and to establish an approach that is appropriate for the type of alliance they are seeking and the partner organisation s with whom they are working Whether you are an alliance executive responsible for the systems strategy and performance of your organisation s alliancing programme or an alliance manager needing to ensure the success of a given partnership The Strategic Alliance Handbook is an essential guide **Managing the Training Function For Bottom Line Results** Jean Barbazette,2008-05-14 This book presents time saving strategies tactics and a host of job aids to get the best result from the corporate learning function It will serve both as a must have reference tool and as a practical survival guide for workplace learning professionals who face unique challenges in accomplishing their responsibilities Several strategies and tactics are offered to organize the roles and responsibilities of the training function There s authoritative advice too for managing the function including staff management communicating expectations setting the learning agenda coaching subject matter experts hiring consultants and vendors managing content working with learning portals setting up and managing a learning resource center marketing and building internal support for training and integrating learning into the business *Selling Is Everything* G.F. Tanham,2016-04-26 Selling is everything delivers as no other book to share how we all purchase everything in our lives personally and professionally Understanding other people s desire to get What s in it for me

is the most important key to selling and this book delivers on how In this book you will learn How each of us uses the same buying process for every purchase be it goods services ideas relationships friendships passions or desires The four 4 phases we all utilize when we make a decision to buy anything How to calm your mind to listen to others What s in it for me needs goals and desires and sell them what they want How to use the Decision2buy process to better communicate build relationships and reach common win win outcomes together How to manage the buying process to meet your buyers needs and goals faster How to use the lessons in this book to improve you daily interactions with everyone in your life How to think outside of your mind and like that of others by learning their buying process and needs How to sell more and faster with the same amount of time and effort How to be a better listener and problem solver becoming more valuable to yourself family friends business and clients How closing becomes just a natural course of events in the selling process What others are saying about Selling is Everything G F has captured the deep essence of sales and offers practical and implementable ideas to take your sales from good to great Whether you are a CEO CMO Sales Executive or sales person of any level you need this knowledge For our employees going forward Selling is Everything will be a must read since it covers a lot on just how to relate to others which is a tough thing to find these days I think that along with cell phones and the internet many have lost their way when it comes to communicating relating AND making friends with others Selling is Everything fills that gap This book is the missing link that will take a salesperson from good to great There are tried and true methods that will save you much time in connecting with your prospects Selling is Everything covers it all and then some It is a fresh new approach to selling After reading Selling is Everything you will be armed with great tools that make failure to sell next to impossible
