*Taming Your New Refrigerator* Mike Dobos, 2007-08 *Taming Your New Refrigerator* is best read before you buy the refrigerator. It is meant to be an aid to anyone who is going to buy a new refrigerator or who has questions about one just purchased. It contains suggestions about what to look for as well as what to avoid when buying a refrigerator. People who would find this book helpful include people buying a new refrigerator, people remodeling a kitchen, landlords, home economics teachers, and perhaps realtors. Chapter topics include buying a refrigerator, making sure house is suitable and handling no cool situations. The book can help you avoid mistakes I see every day as a refrigerator repair technician. It is the result of years of experience repairing and seeing the same mistakes in installation, purchasing, and care day after day. Many of these mistakes result in service calls which cost you the consumer directly or indirectly. My belief is that over the life of the refrigerator you will save a lot more than the cost of this book if you use the information it contains.      **Service Manual and Parts Catalog, Conventional Refrigerators** Magic Chef, inc, 1979      *Sears Coldspot and Kenmore Refrigerators Service Manual* Sears, Roebuck and Company, 1981
