Nebula Express Darksf:

Nebula Express John Argo, 2016-12-11 DarkSF is the Dark Chocolate of Science Fiction we are told by John Argo a pioneer in digital publishing since 1996 If you love DarkSF movies like Blade Runner Dark City Chrysalis or Alien then Nebula Express is yet another classic for you along with his Monopol City Robinson Crusoe 1 000 000 A D Streamliners and others Nebula Express John Argo 2003 is a DarkSF novel based on a terrifying premise What if we aren't who we think we are What if our memories our loved ones our hopes and dreams are all just smoke think of the replicants in Blade Runner This novel puts a unique twist on a gripping idea As always John Argo offers a rousing cinematic tale for the brave of heart yet he leavens it with a touching love story and yes there is HEA at the end If the beginning reminds you of Ridley Scott's classic movie Alien that's the author's intention as homage to his favorite director But the similarities end All writers worth their salt tap into the archetypal sources visited by their predecessors Virgil borrowed from Homer Shakespeare from Boccaccio Dante from Virgil and so on Nobody owns these tropes It just takes a craftsman and an artist to really know how to tap into that good stuff That's why we make some of the best dark chocolate DarkSF in the SF world Try Nebula Express You'll be hooked There are indeed scary creatures on board as many as there are dark mysteries And it's claustrophobic by design But the scariest secrets are those buried in our souls Ridge and Brenna share a mysterious love that transcends their understanding until they figure out the deadly secret of the derelict starship called Nebula Express in which they are trapped and doomed unless they can engineer a miracle to save themselves The dark chocolate metaphor is delicious and explains much if you like fresh original richly dark literature which is what most serious writing is anyway drawing upon Aristotle's distinctions thousands of years ago between serious tragic art and comedic melodramatic art More info at www.darksf.com for readers who may be interested This isn't fast food reading To extend the metaphor if you seek a fine restaurant to order a unique and original creation complete with steak violins linen and a rose in a vase this is your cup of dark espresso By contrast the milk chocolate or fast food metaphor describes often warmed over genres which work as a formulaic escape or narcotic There is a place for everything this just isn't that place We're mixing metaphors a bit but it all goes down smoothly DarkSF is rich dark chocolate for connoisseurs Let's be clear DarkSF is not necessarily scary gory violent or any of the things that scare off milk chocolate bunnies One finds plenty of speculative fiction as well as gore and horror in Homer Virgil Dante Defoe or any of the memorable serious and enduring modern writers Homer's Iliad is a slasher tale for sure Think of the ending of Homer's Odyssey or Shakespeare's Hamlet each ending in a massive sword fight and blood bath So what is the core principle of DarkSF As with all poetry it's writing for its own sake for the beauty of the words and ideas and how they are expressed That's why those great movies Blade Runner Body Snatchers Fifth Element or novels Lord of the Flies 1984 Brave New World linger in memory All serious literature is dark in the sense that Aristotle meant as opposed to comedy melodrama fluff that goes in one ear and out the other Milk chocolate readers simply want escape sugar a narcotic a few

hours of relief That s fine We all do sometimes This stuff is the heavy cream pungent espresso red wine dark bittersweet chocolate expensive brandy Please do visit www.darksf.com Meanwhile if it s your cup of dark chocolate hope you enjoy Nebula Express and see you in Monopol City another of John Argo s DarkSF novels **Nebula Express** John Argo,2014-08-30 Never before has a ship so far from home been in so much trouble Hurtling through space and time like a blur starship Nebula Express gives truth to a darkly bright motto out of a nightmare Nothing seems right near the speed of light Not the ship not the mission nor its people especially not Ridge and Brenna who are drawn to each other with a deep passion that defies the deadly madness all around yet their love too is a symptom of all that s wrong aboard Nebula Express It is a saga in the tradition of Ridley Scott s movie Alien yet scarier more thoughtful a heart stopping romantic story amid the terror chaos and horror of a ship gone mad The six person engineering crew aboard the starship awaken to a normal morning in the crew quarters aboard a solar system cargo ship named Neptune Express on a two year mission to the blue gas giant that will allow each to retire wealthy They enjoy breakfast banter and email home across the vast emptiness of space But Earth isn t answering And the captain is nowhere to be found When Ridge Brenna and the other four specialists open the hatch to enter the huge ship they discover to their horror that nothing is what they thought it would be not the ship not the mission not the engineers themselves in a heart rending ultimate discovery for each man and woman that is sure to send cold chills through the reader You will not want to miss this unique twist that takes horror to its ultimate personal peak It s a plot twist no writer has ever done before Be prepared to keep lights on all night Take a deep breath take a long walk around the house in the dark check doors and windows and look in the mirror to see who or what is looking back at you Mystery upon mystery compound the terror as the crew find themselves inside an ancient wrecked starship Then bodies begin turning up along with zombie like Mudmen or Cleaners who hunt both the living and the dead seeking body parts and food Then the dying begins One by one the engineers fall prey to a strange illness Not only is everything frighteningly wrong but one by one each realizes the most horrific truth of all about him or herself Ridge a strong handsome Chief Engineer and lovely red headed Brenna Senior Engineer have families back on Earth whom they love very much And yet they find themselves drawn into a passionate overwhelming love that neither sought but they cannot resist or understand Somewhere in the rusting dripping ghost ridden bowels of this enormous city flying through the distant galaxy is a magical place called Largo where answers and help can be found Ridge and Brenna must find Largo before it s too late as the clock ticks Largo itself is only a keyhole leading to either human extinction or a New Earth that is humankind s only shred of hope If the two lovers cannot defeat the ship and its monsters both external and internal to themselves they will never know as a ghastly array of long dead mummified officers on the bridge sails Nebula Express to her ultimate destiny amid distant stars *DAY FLIES* John Argo,2016-12-21 Eight men and women techs aboard a space ship awaken expecting a normal work day on a routine Earth to Neptune cargo run The initial scenes include cozy crew quarters as in Ridley Scott s movie Alien but any comparison ends

there When these passengers step from their sleep pods the reality on board instantly exceeds their worst nightmare For lead engineers Ridge and Brenna it s a man woman love story and survival odyssey with deep and painful mysteries as well as glories Their only hope is to reach a hidden wonderful deck called Largo where echoes of old Earth live on including tango music for New Earth to be danced on rainy neon streets That s right on board a derelict starship filled with horrors and ghosts This is a novel unlike any other See darksf.com for more info Nothing on this ship is as it seems It s actually a galactic derelict to use Andre Norton s classic phrase It s a starship Nebula Express a vast ocean liner of dark wreckage hurtling among stars and nebulae toward infinity Over eons life on board has evolved in new ways The engineers are like day flies living in a tragic and terrifying illusion Two such day flies Ridge and Brenna are courageous and determined not to let this cruel brutal fate define their brief lives They will find that secret deck called Largo where miracles may come true Ridge and Brenna each deeply love a spouse and children back on Earth but are deeply bound to each other by a powerful love that transcends understanding until they and we learn the truth about their lives and the ship they re on Amid the ship s dark terrors is Captain Venable a mere ghost a memory some brain tissue floating in a dish The captain is part of an ancient story of what really happened between Ridge and Brenna eons ago in a love triangle involving a Buenos Aires billionaire named Colfirio who built the last starship fleeing a doomed solar system The ship s evolved biology includes thousands of mummies mutants and sleepers Nasty creatures called Cleaners are part of the ship s life cycle Every day 36 hours a new batch of engineers are brewed and born in their crew pod and awaken thinking they are living normal lives They will age and die within hours Each carries a mix of memories and personalities of thousands almost all dead except a few sleepers the Cleaners haven t killed Also on board is a dreadful Queen insect ruler of the Cleaners with her own insane agenda Ridge and Brenna refuse to accept their fate doomed to age and die like day flies They insist their lives are real and have meaning The spouses and children they love may be illusions but they lived once and can live again in the endless DNA juke box remix of short lives emerging daily to become food for the Cleaners and victims of their Queen Their six friends die heroically tragically one by one but Ridge and Brenna set out to beat the odds find Largo clean the ship of its mutant life and reprogram the ship to find New Earth out there among countless habitable planets in the universe Largo is a swatch of old Earth a night city a street filled with restaurants and tango music from Colfirio s Buenos Aires a place full of forgotten magic and hope for new life You have never read anything remotely like this fresh original novel There will be a happy ever after though getting there is a very dark journey that will have your hair standing on end all the way The journey is well worth it
