Education Institutions in Post-Apartheid South Africa Chaunda L. Scott, Eunice N. Ivala, 2019-02-21 This book outlines successful transformation strategies and efforts that have been developed to assist the South African higher education system in moving beyond its post apartheid state of being Through case studies authored by South African higher education scholars and scholars affiliated with South African institutions this book aims to highlight the status of transformation in the South African higher education system demonstrate the variety of transformation initiatives used in academic institutions across South Africa and offer recommendations to further advance this transformation Written for scholars and advanced students of higher education in international settings this volume aims to support quality research that benefits the demographic composition of South African academics and students and offers lessons that can inform higher education transformation in similarly multicultural societies Report Series: Committee on Astronomy and Astrophysics National

Academies of Sciences, Engineering, and Medicine, Division on Engineering and Physical Sciences, Board on Physics and Astronomy, Space Studies Board, Committee on Astronomy and Astrophysics, 2017-06-08 The 2010 astronomy and astrophysics decadal survey New Worlds New Horizons in Astronomy and Astrophysics laid out an exciting portfolio of recommended activities to guide the agencies research programs over the period 2012 2021 The newly constituted Committee on Astronomy and Astrophysics CAA is tasked with monitoring the progress of the survey s recommended

priorities The CAA met in conjunction with Space Science Week 2017 in Washington D C on March 28 30 2017 This was the first meeting at which the CAA could produce a report and in advance of that meeting the CAA received a question from NASA about an upcoming Small Explorer SMEX mission call This report addresses whether there may or may not be sufficient compelling science motivations for a SMEX sized mission to justify a SMEX Announcement of Opportunity AO in 2018 or 2019 as is currently planned

Poison Ivy Evan Mandery, 2025-03-18 Hailed as a staggering portrait of inequality in America Philip Dray Poison Ivy tells the bigger seedier story of how elite colleges create paths to admission available only to the wealthy despite rhetoric to the contrary In a lively and trenchant Washington Monthly account Evan Mandery a Harvard graduate and current professor at a public college that serves low and middle income students reveals how tacit agreements between exclusive Ivy plus schools and white affluent suburbs create widespread de facto segregation And as a college degree continues to be the surest route to upward mobility the inequality bred in our broken higher education system is now a principal driver of skyrocketing income inequality Mandery contrasts the lip service paid to opportunity by so many elite colleges and universities with schools that actually walk the walk Now in an accessible paperback format Poison Ivy is a no holds barred takedown Forbes that synthesizes fascinating insider information on everything from how students are evaluated unfair tax breaks and questionable fundraising practices to suburban rituals testing tutoring tuition schemes and more This bold provocative indictment of America's elite colleges shows us exactly what's at stake and what will be possible if we muster the collective will to transform it
