

Section 1: Getting Started

This section describes how to start using your phone by activating your phone, inserting your SIM card and battery, and navigating from the Home screen.

Activating Your Phone

When you subscribe to a cellular network, a plug-in Subscriber Identity Module (SIM) card is provided loaded with your subscription details, such as your PIN and other optional services.

Removing the Battery

- If necessary, power-off the phone by pressing and holding the  key (located at the top-left of your handset) until the power-off image displays.

1. Remove the battery cover by pressing down on the arrow, sliding the battery cover away, and lifting the cover up as shown.
2. Lift the battery from the bottom up and out of the phone.

Installing the SIM Card

Important: The plug-in SIM card and its contacts can be easily damaged by scratches or bending. Use caution when inserting or removing the card and keep all SIM cards out of reach of children.
