Scripts A Quick Guide To Hypnotherapy Techniques:

Hypnosis and Hypnotherapy Patter Scripts and Techniques Calvin D. Banyan, 2004 This is NOT just another book of scripts This set of hypnotic inductions and therapeutic scripts are Calvin Banyan's favorites He also gives you insider techniques that no hypnotherapy practice should be without Plus you will get new original scripts that you will not get anywhere else AND you will get the Must Have Universal Script that works for almost any issue that your client brings into your office Look inside and see what you get This book is designed for the working professional In the first half of the book every technique and script is explained in detail Each script has embedded instructions that let you know exactly how to use it properly Then in the second half of the book you get the most important scripts in larger print and double spaced so that you can easily remove it and use it in your sessions These working scripts do not have the added instructions so that you can be sure that you are reading just what needs to be read to each client for each issue You will find that you use these patter scripts again and again And you will love the universal script that will work for most client's issues You have to use it to believe it *Beginners Guide to Hypnosis: Your Questions Answered eBook*, Answers to commonly asked questions and to questions you did not even know you had about hypnosis Here is a list of some of the questions covered in this book What is hypnosis Can a sleeping person be hypnotized Can someone be hypnotized to rob a bank Can hypnosis be used to uncover the truth Can the hypnotist create a false memory in my head Can hypnosis help me to forget someone
