Living Water Study Haley Smith, 2020-12-15. Just as water is essential to the survival of our physical bodies, the living water that only Jesus offers can fulfill the needs of our souls. What happens when we allow this living water to fill us? *Living Water Study* investigates various biblical passages that showcase the transformative power of the intersection of living water with your life. Author Haley Smith begins with a focus on John 4 and continues with a consideration of scriptures from both the Old Testament and New Testament that refer to this living water. Jesus speaks of, "Are you parched? Maybe you are dealing with a circumstance that is taking every ounce of your strength and is depleting you of your living water. Maybe you feel a void in your life that cannot be filled, no matter how hard you try. Maybe you are at a place in your life where you can't get enough of the Lord, and you want the living water to pierce every part of your life. No matter where you are, living water is made available to you. Are you ready to be filled? Come and drink from the well that will never run dry." Uplifting and encouraging, this Bible study explores the transformative power that comes when we allow the living water flowing from Jesus to enter our lives.

That I May Know Him Grace Peeler, 2023-02-21 When our life is turned upside down, how do we respond? We do not have control over certain circumstances in our lives, but we can control how we respond to those circumstances. So often when we think of our lives as being turned upside down, we have actually been set on the right path to becoming who God intended for us to be. While trials and sufferings are hard, the truth remains that we on our own would not choose to follow close to Jesus, to dwell in the secret place of the Most High. Grace's hope is that through this book, others who are living with chronic conditions will find the same hope in Jesus that she has found. Follow along for forty days of learning how to view our circumstances through the eyes of Jesus as we learn to allow Jesus to make something beautiful from the ashes of our lives. 2

Star-Spangled Jesus April Ajoy, 2024-10-01 A hilarious and eye-opening account of leaving Christian Nationalism behind to follow Jesus better. April Ajoy wouldn't have called herself a Christian Nationalist when she performed her original song *America Say Jesus* on the Jim Bakker show or when she participated in Jesus Marches across America or when she posted cringe-worthy videos on YouTube to campaign for Mitt Romney. April just considered herself a good Christian, faithful Republican, and determined to make America a Christian nation once again. But as her view of the world widened, Ajoy began to see cracks in her steadfast beliefs and recognized the ways her conservative politics and religion were intertwined in her mind. Did God really bless America? Is it actually by His red, white, and blue stripes that we are healed? Ajoy, content creator and podcast host, shares funny stories from her time deep within Christian nationalism, exploring how aspects of evangelical culture such as product boycotts, Satanic panic, and end times theology have all been exploited to advance the Christian Nationalist narrative. She also illuminates the ways nationalist thinking has infiltrated our churches and political arenas, shaping not only modern evangelical culture but also American public policy and international relations. Part memoir, part guidebook, part call to action, *Star-Spangled Jesus* explores how the fight to make America a Christian nation has damaged us all and shows how one woman left Christian Nationalism and why America should too.

The Hillsong Movement

Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and in some circles, controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian

organizations of the late 20th and early 21st centuries **Devotional Prayers** Helena Manuela Ferreira Igreja, Inspired by the Biblical books of Esther Daniel and Revelation these prayers are a raw authentic and inner plea to leave the past in His tomb I began fasting and praying for 21 days to seek God s inner healing and launch into His promised new beginnings from which this devotional was birthed I desire that this devotional will strengthen you to bring and shine out His love in all areas of your life I pray that as you read you will be healed cleansed and free from the chains of fear to pursue your God given destiny wherever He leads you
